Dear Ron Jones:

On October 22, 2013, Bryn Athyn College had the opportunity to host The Black-Jew Dialogues as part of embracing diversity among our campus community. The presentation you gave on diversity was absolutely excellent. We learned a great deal and plan to follow your suggestions on campus to become more accepting and aware of our diverse campus climate. The material you distributed will be most helpful, and I look forward to sharing it with several colleagues who were unable to attend.

There is a definite need among our campus community to become better informed on the topics of diversity, multiculturalism and acceptance among all ethnic backgrounds. Your Dialogues on Diversity provided an excellent forum for us to ask questions and voice opinions.

Thank you again for such an informative and innovative comedic dialogue on diversity.

Sincerely,

Renata Boodhansingh
